

Eyojana is one-stop destination for discovering and applying for government schemes tailored to your needs.

E-Yojana is here to help you take full advantage of the resources and support available to you.

Eyojana is a platform wherein you can find all the government schemes and apply for it.

Eyojana helps by categorizing schemes and provides all the support throughout the process of application.

Steps to apply for a scheme:

1. Find your required scheme from 'Schemes' tab on Navbar.
2. Search through required category.
3. Go through all the details of the schemes properly.
4. Click on apply button below.
5. Fill all the details carefully.
6. Review your application and submit.

The process of application is free of cost.
